

ATV and MOTORCYCLE POWDER COATING PRICES

All prices include masking all threads, stripping, cleaning, degreasing, iron phosphate, and coating parts.

There is a 50% additional charge for colors such as clear coats and translucent/anodized/candy colors due to being a 2-step coating process. Please give us a call or email us if you are unsure if this applies to your powder coating process.

*Requires use of High Temp coating such as our Ceramic Coating that withstands up to 2000 degrees.

Cast aluminum and magnesium parts may experience out-gassing and or bubbling in the finished powder coating. We will take every precaution to avoid out-gassing; however we cannot be held responsible for bubbling caused by porous coatings.

Each piece must be disassembled or additional charges will apply.

If you do not see a part listed that you would like to have powder coated, [contact us](#).

All prices below are estimates only. Prices are subject to change upon inspection.

Part Description	Price
Air cleaner front	\$20.00
Air cleaner back	\$15.00
A-arm	\$20.00
